

Snow Ridge Village Rules and Regulations

Preface

Snow Ridge Village is a private residential community development. The authority of Snow Ridge Community Executive Board/Executive Board to make and enforce the following Rules and Regulations is derived from the Community Executive Board Document and Protective Covenants and Restrictions, which are contained in the deeds of each and every property owner in Snow Ridge Village.

The following Rules & Regulations are a result of recommendations made by various committees acting under the auspices of the Executive Board

The Executive Board has approved these Rules and Regulations so as to (1) provide a healthful and harmonious environment for community living; (2) to protect and preserve property values; (3) to enable such action to be taken as necessary to prevent or abate conditions which may be inconsistent with the Executive Board Document, Declaration of Protective Covenants and Restrictions and with all applicable laws; and (4) to provide the health, safety and general welfare of all property owners at Snow Ridge.

These Rules and Regulations are consistent with the covenants and restrictions contained in the various recorded deeds and in the Snow Ridge Community Executive Board Document and Deeds of Conveyance.

Any violation of these Rules and Regulations could result in action by the Executive Board such as a fine as well as institution of a Civil Action to recover sums due for damages or injunctive relief, or other appropriate action.
